

NOTICE OF POSTING TO THE ENVIRONMENTAL REGISTRY

By Silvercreek Solar Park To Engage in a Renewable Energy Project

Project Name: Silvercreek Solar Park (Silvercreek Nominee Inc.)
Project Location: Malahide Township, Elgin County (see map)
Dated at Malahide Township this 29th of May, 2013

Silvercreek Solar Park Inc. is planning to engage in a renewable energy project in respect of which the issuance of a renewable energy approval (REA) is required. The proposal to engage in the project and the project itself is subject to the provisions of the Environmental Protection Act (ACT) Part V.0.1 and the Ontario Regulation 359/09 (Regulation). This notice is being distributed in accordance with section 15.2 of the Regulation following the posting of the project on the Environmental Registry

Project Description and Documents for Public Inspection: Pursuant to the Act and Regulation, the facility, in respect of which this project is to be engaged in, is a Class 3 ground mounted Solar Facility. If approved, this facility would have a total maximum name plate capacity of 10 MW, and would include the construction new 34.5kV connection line and a new substation. The project location is in the Township of Malahide in the County of Elgin and is further described in the map below. The applicant prepared, supporting documents in order to comply with the requirements of the Act and Regulation. Copies of the final submission have been made available for public inspection at: www.silvercreeksolar.com

Environmental Bill of Rights:

A proposal for a Renewable Energy Approval in respect of this renewable energy project has been posted on the Environmental Registry (www.ebr.gov.on.ca) as posting number **011-9209**. The public has a 30 day review period, during which time comments in respect of the proposal may be submitted to the Director of the Ministry of the Environment. All comments received prior to **June 22, 2013** will be considered as part of the decision-making process by the Ministry of the Environment. Comments may be submitted in writing or electronically using the form provided in the Environmental Registry notice.

Comments can be submitted in writing to:
