RE: Modifications to Silvercreek Solar Park Project Location

Dear Mr. Dave Moerman,

The Ministry of Natural Resources (MNR) has received the document dated November 20, 2012 that describes modifications to the Silvercreek Solar Park project location made subsequent to MNR's letter confirming the Natural Heritage Assessment in respect of the project.

Upon review of the modifications, MNR is satisfied that the Natural Heritage Assessment requirements of Ontario Regulation 359/09 have been met. Please add this letter as an addendum to the confirmation letter issued July 9, 2012 for the Silvercreek Solar Park project.

If you wish to discuss, please contact me at amy.cameron@ontario.ca or 705-875-7481.

Sincerely,

A handwritten signature in blue ink that reads "Amy Cameron".

Amy Cameron
