

NOTICE OF A PROPOSAL & NOTICE OF PUBLIC MEETING

By Silvercreek Solar Park Inc. to Engage in a Renewable Energy Project

Dated at Malahide Township, this 18th of November, 2009

Silvercreek Solar Park Inc. is proposing the development of a new 10MW ground mounted solar photovoltaic facility on privately held lands in the Township of Malahide, Elgin County, 9 km south of the town of Aylmer. The project utilizes polycrystalline solar photovoltaic panels mounted on single-axis trackers to maximize energy production. A new 4.5 km distribution line will be built along existing municipal road easements to the point of connection with the Dunboyne Distribution Station. ORTECH Environmental has been retained to assist in the Renewable Energy Approvals process.

The project is subject to the provisions of the Environmental Protection Act Part V.0.1 and Ontario Regulation 359/09 and requires a Renewable Energy Approval as a Class 3 Solar Facility. A Draft Project Description Report titled "Project Description Silvercreek Solar Park" describing the facility will be posted on the proponent's website (www.silvercreeksolar.com) on December 11, 2009. A written copy of the report will be available at the public meeting for review. This notice must be distributed in accordance with section 15 of the Regulation prior to an application being submitted and assessed by the Ministry of the Environment. Public consultation is an integral component of this process.
