

May 29, 2013

To Whom it May Concern:

On May 23, 2013 The Ministry of the Environment informed Silvercreek Solar Park that the Renewable Energy Approval (REA) Application for the project had been deemed complete and had passed into the next phase of review. This technical review phase includes a 30 day period of public comment period on the **Environmental Registry** as **EBR posting 011-9209**.

As required under section 15.1 of O.Reg 359/09, Silvercreek Solar Park is posting the final REA submission for review and comment on its project website www.silvercreeksolar.com.

As well, a Notice will be published in the Aylmer Express on Wednesday May 29, 2013. A copy of this Notice has been attached to this email. **Comments will be accepted until June 22, 2013.**

If you have any comments on this proposal you feel should be included as part of the MOE's review process, please direct them to:

Sarah Raetsen
Senior Program Support Coordinator
Ministry of the Environment
